暑期班精彩回顧

人力雙文暑期網上直播課程2020

大家好！暑假即將來臨，Covid-19肆虐全球，繁華的紐約市也全城進入抗疫狀態。為了孩子們和教職員的安全，紐約教育局宣佈所有學校設施在暑假期間保持關閉！在這漫長的炎炎暑期，孩子們如何在居家維持健康的同時也能夠不虛度光陰呢？人力雙文課後班團隊為大家準備了抗疫版暑期班。暑期班提供孩子與老師面對面視頻互動式教學。另外，課程還添加了跨境实景戶外旅遊直播，老師親自帶孩子遊歷加拿大的人文景觀。每40分鐘的課程有適當的休息時間，確保孩子勞逸結合不傷眼。

Hello everyone! The summer vacation is coming, Covid-19 abuses the world, and the New York City has entered the battle of fighting with the deadly virus. For the safety of children and staff, the New York Department of Education announced that all school facilities will remain closed during the summer vacation! In this long and scorching summer, how can children maintain their learning habit while staying at home? CMP Shuangwen afterschool team has prepared a antipandemic version summer program for everyone. This summer program provides face-to-face video interactive teaching between children and teachers. In addition, a cross-border outdoor tourism live broadcast was added to the course, and the teacher will bring students to explore the cultural landscape of Canada via live video meeting. A reasonable break every 40 minutes of the course ensures that students work -rest combination does not hurt the eyes.

接下來，我們一起來看看孩子們為我們準備的中英文雙語動畫片。Next, let's take a look at the Chinese and English bilingual cartoons prepared by our students, please enjoy the show. □□□□□□□□□□□□□□□□觀看請點擊以下連結。please click the link blow to enjoy the show.
